### ARE YOU AN ARTIST LOOKING TO EXHIBIT IN THE HEART OF MADRID'S ART SCENE?

Fucar22 Art Gallery is launching its new open call for the AUTUMN-WINTER season **for all** artists interested in exhibiting their work in a professional, visible, and internationally projected setting. Artists from any discipline and artistic style (painting, sculpture, photography, installation, collage, among others) are welcome to apply. The goal is to provide a platform for artists of various disciplines and styles, allowing them to showcase and promote their work in a creative environment.

### WHY EXHIBIT AT FUCAR22?

Fucar22 Art Gallery is a contemporary art gallery located in the heart of the Barrio de las Letras (Calle de Fúcar, number 22), a privileged location in Madrid that offers unique visibility. Each of its three exhibition rooms has a distinct identity.

Its main exhibition room features walls up to 4.60 meters high, allowing for visually impactful installations, a luxury few galleries in Madrid can offer.

Its intermediate room is a versatile space that adapts to different formats and styles. It serves as a visual and conceptual bridge between the main room and the vaulted room. With a height of 3.60 meters, it allows for the exhibition of works of various formats.

The vaulted room offers a unique atmosphere with its own architectural character, creating a warm and immersive environment.

### PARTICIPATION FEE
